## Concerning: Resin fill funnel for 4"- 6" tank opening

Dear Customer,

We are introducing an additional accessory in our products: a resin fill funnel for pressure tanks with opening 4" - 6".

The use of this funnel greatly facilitates filling of the pressure tank with media and makes this process faster and avoids waste of media. The funnel fits pressure tanks with opening 4" or 6". The Part Number of this new resin fill funnel is U1007.

Below you can find the part numbers and list prices of the 2 models of resin fill funnel we currently offer:

Funnel			
Part Number	Description	Order multiple	List Price (€/pce)
U1006	Resin fill funnel for 2 ½" tank opening	1	4,10
U1007	Resin fill funnel for 4" - 6" tank opening	1	23,80

Please do not hesitate to contact us if you need any additional information on this topic.
