Date: 13.10.2017

## Concerning: Modification of the Slimline cabinet softener & MMX

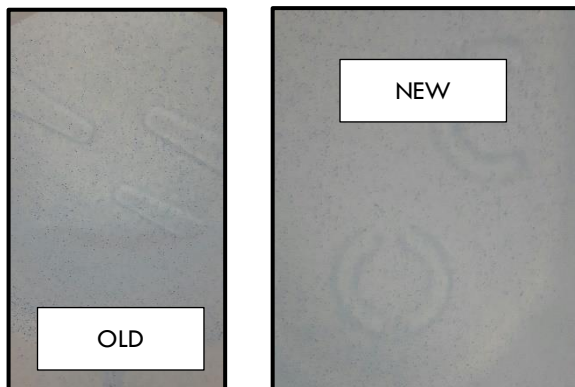

Dear Customer,

In our continuous efforts to further improve the quality of our products, we would like to inform you of our investment in a new mold for the maxi & mini cabinets for our Slimline range. Modifications:

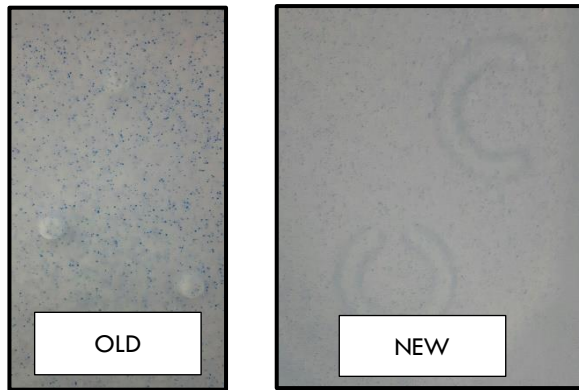

- Better finish
- Smaller opening at the back of the cabinet

- Other height for the maxi cabinet, from 963 to 965 mm with brine well PN BW3.5/090.
- Improvement of the fixation of the bottom of the tank:

- Better fixation of the brine well:

This modification has been implemented on the maxi & mini cabinet of our Slimline cabinets softeners and our MMX systems as of 25/09/2017.

Please do not hesitate to contact us if you need any additional information on this topic.
