Concerning: Release Erie Connect in 10 languages

Dear Customer,

In our continuous efforts to further improve the quality of our products and to respond to the feedback of our customers, we are implementing the release of the Erie Connect application in 10 languages. We also included an option to sort the appliances added to your account.

1) **Erie Connect in 10 languages :**

The number of available languages is now 10 instead of 4: English, French, Dutch, Spanish, Romanian, German, Russian, Czech, Italian, Polish:

SELECT YOUR LANGUAGE

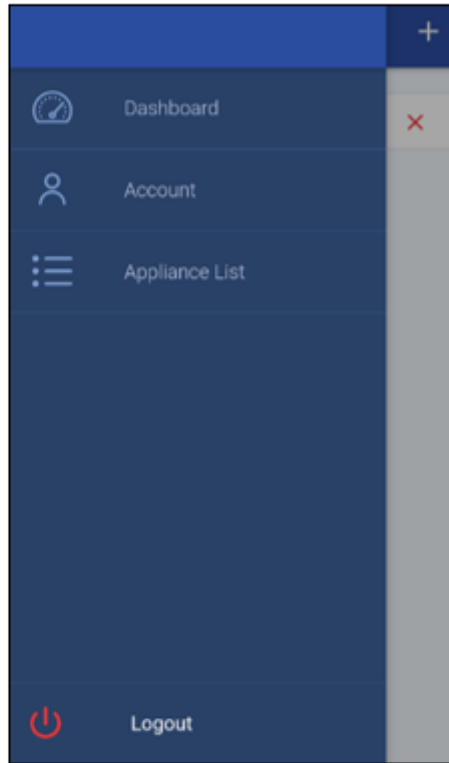

- Select one of the available languages to continue.

2) **Sort the appliances of your account :**

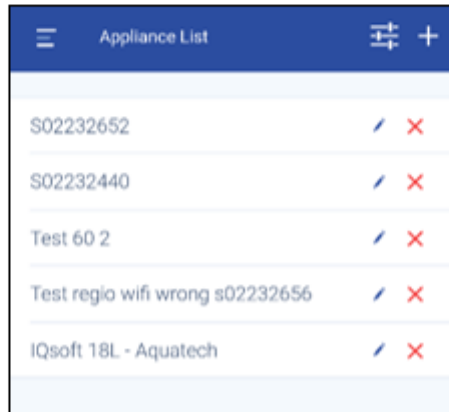

A new option introduced in this application is the ability to sort the devices available on your account:

APPLIANCE LIST

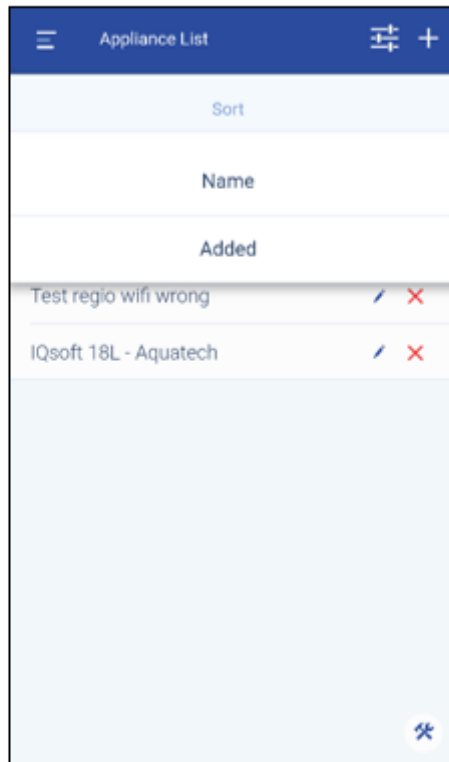

- Press “☰” to switch to the main menu.

- Press “Appliance List”. You will see the appliance list with all added registered appliances on your account:

- Press “” and select how to sort your appliances.

- Select sort by “**Name**”, listed alphabetically or by “**Added**”, listed on adding date.

We are happy to announce that the new application for Android and iOS has successfully been released on Google Play store and on the Apple App store.

Please do not hesitate to contact us if you need any additional information on this topic.
