Concerning: Changes Sales Department

Dear Customer,

Unfortunately Mr. Yann Chevalier, since 2016 our Sales representative France/ South Europe/ Middle East, has decided to leave our company in order to pursue another opportunity. In his position, Yann has helped our company to expand our customer case in his region as well as built long-lasting and stable commercial partnerships. Yann's last day in our company will be on Friday March 15st.

We have started looking for a successor for Yann and are currently interviewing possible candidates. This does mean that there will be a 'vacuum' of a few months, between Yann leaving and the start of his successor. In the meantime, we would like ask you to send all commercial questions to bverschaeve@eriewatertreatment.com

We would like to thank Yann for his contribution to our company and wish him all the best in his new position!

Very best regards,

*Björn Verschaeve
Sales Manager*
